News

Time is an issue for many people, especially parents. One way to increase the amount of time in your day and to ease worries is to provide breakfast at school for your children. Also, children may find themselves waking up late for school and skipping breakfast altogether because they are racing to the bus stop or to school. By providing breakfast as an option for students, they will be able to have a healthy and nutritious meal before the start of their day, even if it didn't start out as planned. Free to all free and reduced students. \$1.00 for paid students and \$2 for adults.
