Dates to Remember

11/9-Hybrid Learning begins
11/19-Parent Teacher Conferences/early dismissal
11/20-Picture retakes
11/25-Early Dismissal
11/26-11/30-Thanksgiving Break

Dear Families,

I am back!!! I have been blessed to have spent time with my family over these past several months but it feels wonderful to be back with my school families. The smile on the students faces when they see(or hear my heels) walking down the hall, has been exactly what I've needed to help transition back into school mode.

As our holiday season is fast approaching, it is the perfect time to pause and reflect on all the incredible things we are thankful for in our school district. We are grateful for the trust you have in our staff. We are very passionate about education and meeting the needs of all children. It is our honor to serve your students! We also recognize the importance of YOU in their lives. Thank you for sending your most precious blessings to us. Thank you for all that you do,
Mrs. Parisi

Colder weather is on the way!
Please be advised that shorts are no longer permitted to wear shorts. Students will have outside recess as much as possible so please ensure your child has the appropriate outerwear.

PLEASE BE AWARE THAT WE WILL HAVE A PRACTICE LOCKDOWN THIS MONTH. OUR STUDENTS HAVE LEARNED THE ALICE METHOD AS A WAY TO HANDLE AN INTRUDER SITUATION.

Thinking Ahead...
It is the time of year when area churches, businesses and organizations begin to contact the school to help families in need during the Christmas holidays. Please write a note to the office or call if you or someone you know needs assistance. All of this is kept completely confidential. Keep in mind that this does not guarantee assistance. This gives us an idea of who needs help when we are asked.

-If you drop your child off in the morning, we ask that your child remain the car while we take their temperature.

-With going to the hybrid model and the possibility of the remote learning model, I want to remind you to check our website often for the most up to date information. Your child's teacher will also be in direct communication with you.

Make a Count Your Blessings Tree

Draw a tree. Use scissors or a 1" circle punch to cut colorful scrapbook paper. As a family, write down on the circles, the things you count as blessings.

Once they're glued in place, display your tree for your whole family to be reminded of those things all month long.

Thanksgiving Fun Fact
Thanksgiving is the reason for TV dinners! In 1953, Swanson had so much extra turkey (260 tons) that a salesman told them they should package it onto aluminum trays with other sides like sweet potatoes - and the first TV dinner was born!
