- F. Contract with Chardon Local School District for admission of a Garaway resident student receiving special education services for 2013/14.

RESOLUTION ADOPTING A CALAMITY DAY ALTERNATIVE
MAKE-UP PLAN

WHEREAS, the Garaway board of education desires that students have learning opportunities even when schools are closed for any of the reasons specified in section 3317.01 of the Ohio Revised Code and in excess of the number of days authorized in section 3313.48; and

WHEREAS, section 3313.88 authorizes a board of education to file an annual plan with the Ohio Department of Education to provide online learning opportunities for students in lieu of attendance on such excess days;

NOW THEREFORE BE IT, AND IT IS, HEREBY RESOLVED that the Garaway Local Schools board of education hereby approves the following plan and authorizes its filing with the Ohio Department of Education.

PLAN FOR ALTERNATIVE MAKE-UP OF
CALAMITY DAYS

Pursuant to Ohio Revised Code section 3313.88, the board of education of Garaway Local Schools hereby authorizes the following plan to allow students of the district to access and complete classroom lessons in order to complete up to three days of instruction in excess of the number of days permitted under section 3313.48 because of the closing of schools for any of the reasons specified in section 3317.01.

- 1) This plan is submitted, pursuant to approval of the board of education.
- 2) This plan includes the written consent of the teachers' employee representative as designated under division (B) of section 4117.04. Such consent is on file in the official file of the board of education and is hereby incorporated into this plan as if specifically rewritten.
- 3) Each classroom teacher shall develop a sufficient number of lessons for each course taught by that teacher with such lessons requiring, in the judgment of the teacher, an amount of time equal to or greater than the amount of instructional time the student would receive for three school days in such teacher's class.
- 4) The teacher shall designate the order in which the lessons are to be posted on the district's web portal or web site.
- 5) Teachers will be granted one professional development day after the teachers' principal or supervisor certifies that lessons equal to approximately three days of contact time have been posted.
- 6) Teachers will create the lessons based on the instructional progress of students.
- 7) Staff members designated by the appropriate administrator shall make the designated lessons available on the district's portal or site. Each lesson shall be posted for each course that was scheduled to meet on the day of the school closing.

- 8) Each student enrolled in a course for which a lesson is posted shall be granted a two-week period from the date of posting to complete the lesson. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided.
- 9) Students without access to a computer shall be permitted to complete the posted lessons at school after the reopening of school. Students utilizing this option will be granted two weeks from March 28th, to complete such lessons. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided. The district will provide access to district computers before, during, or after the school day (provided that the equipment is available and accessible at those times) or may provide a substantially similar paper lesson in order for students to complete the assignments.
- 10) The board of education hereby authorizes "blizzard bags," which are paper copies of the lessons posted online. Teachers shall prepare paper copies approximating the content of the online lessons. "Blizzard bags" shall be distributed to all students by March 24th as selected by the superintendent. Students shall submit completed lessons to the teachers assigning such lessons, after the date of school closing in excess of the number of days permitted under section 3313.48, not later than two weeks after such assignments are given.

In witness thereof, we hereby affix our signatures on this 10th day of March, 2014.

Treasurer

President of the Board of Education
