

Dear Ragersville Families,

Spring is in full swing and you can feel the students' excitement and anticipation for all the opportunities and activities that lie ahead. It is hard to believe how fast this school year has gone.

Thank you to all of our families who have helped with the PTO this year. This group has done an amazing job providing special incentives to our students and special treats to the staff. We are in the final stages of planning a new swing set for the playground and for the end of the year Carnival that will be on Monday May 23rd.

State Testing went very smoothly, and we are so proud of our students for taking their time and doing their best. Our next round of testing will be the week of April 25th, when we will be completing the Math state test in grades 3-6.

On April 27th we will be hosting a district wide Literacy Night at Baltic Elementary. Our theme this year is "Get Wild for Reading", there will be pizza provided starting at 5:30 and activities starting at 6:00. We have activities and prizes planned for all students who attend. A flier with information will be coming home when we return from Spring Break.

At the end of the year we have many classes taking field trips, please be on the lookout for communications coming home from classroom teachers about these special dates. If you would like a lunch provided from the cafeteria on those days please just notify the teacher ahead of time and we will arrange a packed lunch for your child.

Teacher Appreciation week is the week of May 2. We will need some parent volunteers to cover lunchroom and recess duties that week. If you are interested in helping, please call the office and Gail can let you know what is needed.

We hope that the students have a great Spring Break next week and we look forward to seeing everyone back on April 18th.

Yours in Education,

Sedric Gerber
Principal
